

SPEAK OUT

Red My Lips is an international nonprofit organization. Every year, our global supporters rock red lipstick all throughout the month of April to raise awareness about sexual violence, demonstrate solidarity and support for ALL survivors, and SPEAK OUT against rape myths and victim-blaming!

When: April 1st - April 30th (Sexual Assault Awareness Month)

How: Wear red lipstick, or a creative alternative, all throughout the month to create visibility and raise awareness and funds.
